**One Boy...**

**One Promise...**

**A World Of Perilous Adventure.**

When J.R. Timble wakes and discovers something unnatural has happened to him, he has no idea it's the result of a majestic event that happens every 150 years, which has also awakened fierce adversaries who come hunting—for *him*. But when more jaw-dropping phenomena follow, J.R. soon realizes something sinister is at hand.

Overnight his simple life is shattered; a life-changing promise thrusts him into a new world of destiny, deadly peril and mystical forces. With only the clues from a mysterious local legend in the Redwood Forest, J.R. and his *secret society* friends must unlock and navigate an unknown realm in the real world and battle dark enemies unleashed by a villainous mastermind whose evil knows no limits.

Can J.R. fulfill the prophecy of the *Whiffler's Legend*? His life—and the lives of children around the world may depend on it.

**Fast-paced, humorous and amusing, Jicky Jack And The Ominous Promise is an adventurous tale that will lift you and stay with you even after you've turned the last page.**

**“Epic Novel . . . I chose this book because my mom said that it would be a good book. I think it's a great book.”**
