## 3 Friends - 2 Secrets - 1 Mission

Brian Parker and his best friends, Hanna Stevens and Mark Adams are on the run—*again*. But this time they outsmart the school bullies by crossing into a forbidden government **DANGER ZONE**.

But they'll be fine, right? **WRONG**.

Parker and his friends make a *Galactic* discovery of a lifetime. And everything changes.

Now they have **BIGGER** problems—**MEANER** and **GREENER** problems—and secrets to keep, and a mission to complete.

Can they keep the secrets?

Can they complete the mission?

And will the changes last...

*forever?*
